

NOTICE

The City is currently experiencing a reduction in water supply due to the failure of one of its two functioning water supply wells. On Thursday, September 3rd at approximately 8:30pm the B Street Water Well was struck by lightning due to the storms. Our Public Works department is currently working on repairing the problem and will have the well back online as soon as possible.

We apologize for any inconvenience this may cause and appreciate your cooperation.

For any questions please call 830-393-3105.
