### **REQUEST FOR PROPOSALS (RFP) – Website Design, Redesign, Migration and Hosting Services for the City of Floresville website and other agencies.**

**City of Floresville, Texas**

**Date Issued:** April 9, 2026

**RFQ Title:** Website Design, Redesign, Migration and Hosting Services for the City of Floresville website and other agencies.

### **Questions & Responses**

**Question:**

The RFP specifies that the vendor must have been ***"in the business of municipal website design for at least five years"***. We would like to understand whether this requirement is strictly limited to direct municipal (city/government) projects, or if comparable experience in other public-sector or large-scale, content-driven platforms may also be considered.

**Response:**

We prefer sites that are specific to municipalities.

**Question:**

Additionally, we would appreciate confirmation on whether **firms working remotely with U.S.-based clients are eligible** to submit proposals.

**Response:**

Yes, but we still need to have someone in or nearby our area that can meet our expectations and requirements.
