

# REQUEST FOR QUOTE (RFQ)

## Hike & Bike Trail Lighting Improvements – **Unit Price Per Light**

**Issued by:** City of Floresville, Texas

**Project:** Floresville El Camino Hike & Bike Trail – Lighting Installation

**Location:** From Trail Street to Hwy 97 (Hospital Blvd), Floresville, TX

### 1. INTRODUCTION

The City of Floresville is requesting sealed quotes from qualified vendors for the furnishing and installation of pedestrian-scale lighting along the Floresville El Camino Hike & Bike Trail.

Due to budget considerations, the City intends to evaluate proposals **on a unit price per light basis** and may reduce the total number of lights installed.

This solicitation is issued as a Request for Quote and is not a competitive sealed bid under Chapter 252 of the Texas Local Government Code.

### 2. PROJECT OVERVIEW

The Hike & Bike Trail is approximately **4,933 linear feet (0.934 miles)** in length. Lighting locations and quantities are shown in the attached plans; however, quantities are provided for reference only and are not guaranteed.

This RFQ is for **lighting materials and installation only**.

The City reserves the right to award all or part of the work, adjust quantities, phase installation based on available funding, and decline to award a contract.

### 3. SCOPE OF WORK (UNIT PRICE)

The successful respondent shall provide all labor, materials, equipment, and incidentals necessary to furnish and install pedestrian-scale lighting **on a per-light unit price basis**.

The City may award all or any portion of the work and reserves the right to reduce quantities based on available funding without penalty.

Scope includes, but is not limited to:

- Furnishing LED pedestrian luminaires and poles

- Concrete foundations and anchor bolts
- Trenching, conduit, wiring, grounding, and electrical connections
- Installation of poles and luminaires
- Testing, commissioning, and restoration of disturbed areas

All work shall comply with the attached plans and specifications, TxDOT requirements, NEC, and applicable federal, state, and local laws, codes, and ordinances.

#### 4. LIGHTING REQUIREMENTS

- Planned Quantity (per plans): **Up to 49 pedestrian light assemblies**
- Pole Height: **16-foot round straight steel poles**
- Luminaire Type: **LED pedestrian-style luminaire**
- Finish: Bronze (or approved equivalent)
- Mounting: Single fixture per pole

Equivalent products may be proposed but must meet or exceed the specifications shown in the plans and submittals and are subject to City approval.

#### 5. REQUIRED PRICING FORMAT

Each respondent **must** provide pricing in the following format:

Item	Unit Price
<b>A. Materials – Per Light</b>	\$_____
<b>B. Installation – Per Light</b>	\$_____
<b>C. Total Installed Cost – Per Light (A + B)</b>	\$_____

Respondents are encouraged to identify any: - Volume discounts - Pricing assumptions - Cost impacts related to spacing or electrical run lengths

Unit prices shall remain firm for a period of not less than ninety (90) days from the quote due date.

#### 6. SUBMITTAL REQUIREMENTS

Each sealed quote shall include:

- Completed unit pricing table
- Company information and primary contact
- Manufacturer cut sheets for proposed luminaires and poles
- Project schedule (estimated start and completion)

- Warranty information (minimum 3-year warranty on poles and luminaires)
- Proof of insurance

Failure to provide the required information may result in rejection of the quote.

## 7. EVALUATION CRITERIA

Quotes will be evaluated based on:

- Total installed cost per light
- Compliance with plans and specifications
- Vendor qualifications and experience
- Product quality and warranty
- Ability to meet project schedule

The City reserves the right to reject any or all quotes, request clarifications or additional information, and to award a Contract in the best interest of the City, including partial award based on unit pricing.

## 8. PROJECT SCHEDULE

- **RFQ Issue Date:** 04/20/2026
- **Quotes Due:** 05/21/2026

## 9. SUBMISSION INSTRUCTIONS
