

## AUTHORIZATION FOR ELECTRONIC NOTIFICATIONS

The Customer Service Department is proud to introduce the electronic notification feature to all our customers.

Electronic Notification will allow the following:

- Receive monthly utility bill via your phone or text and initiate and complete bill payment
- Receive late bill reminder to prevent disconnection of service
- Receive special announcement and events

Participation in this feature is purely voluntary. However, for our customers to receive this electronic notification, it will require their authorization. If you are interested in receiving electronic notifications, please check below and return this sheet to the Utility Department with your payment.

### Check below and return:
